

BLOC GROUP – PRODUCT WARRANTY

Bloc Group Masonry Products

The following warranty shall apply to Bloc Group Concrete Masonry Blocks units.

Bloc Group Concrete Masonry Blocks are manufactured to meet the requirements of “NZS 4210: Masonry Construction: Materials and Workmanship” and are guaranteed against faulty manufacture.

The blocks are warranted to perform in accordance with the requirements of the “New Zealand Building Code: Clause B2 Durability”. In particular the requirements defined in “Figure 1: Assessment of Durability” shall apply to all concrete masonry blocks supplied by Bloc Group Ltd.

This warranty shall not apply where blocks have been incorporated into and form an integral part of any structure. E.g. solid filled concrete masonry block walls.

In addition any warranty claim must be supported by fully documented maintenance schedules, consents and proof of purchase before any claim will be considered.
