### **SALE CONDITIONS**

1st June 2023

Prices are subject to change without notice.

#### Ownership:

Products remain the property of Bloc Group Limited until full payment has been received.

### Payment:

Unless approved credit arrangements are made prior to delivery, payment is required at time of the placing of order. Prices are subject to alterations without notice and deliveries will be made at prices current at the time of dispatch.

#### Pallets:

All pallets are returnable, in good condition (fair wear and tear accepted) and subject to a deposit of \$42+GST each, credited when pallets are returned to Bloc Group by the Purchaser.

#### Returns:

Returns if accepted by Bloc Group will incur a handling fee. Claims for faulty products will not be entertained once they have been laid. No returns are accepted from cash sale customers or from over-ordering.

Returns of 'Made To Order' product will not be accepted, No bagged product will be accepted.

#### Variations On Delivery:

Variations of actual quantities from those shown on delivery docket must be notified to us at the time of delivery otherwise no responsibility will be accepted for such variations. Goods delivered to unattended sites are the customer's responsibility and the Company will not accept claims for shortages. Delivery is deemed to be effected when trucks have reached the closest point to the customer's property without leaving the public road.

Trucks are not permitted to drive over concrete crossings or driveways, unless a council approved crossing is provided. Trucks entering customer's property at customer's request do so at the customer's risk and the Company will not accept any liability for damage.

#### **Estimates:**

Estimates are given for guidance only as to the number and type of blocks required and the Company will not accept responsibility for accuracy, nor accept claims for variations. The customer will be charged for all blocks delivered.

### Colours & Colour Variation:

Phone: 06 752 2896

As our products are made from natural materials, colour variation can occur, Bloc Group recommend that products be purchased at the same time and from the same batch. It is also recommended that products be installed by blending units off several pallets at one time to achieve best results, Colour variation between sample product and finished product can also occur.
